Project Info :

- The main purpose of the project is to give any information about the cafe that called "Karaokenight" to the visitors and to introduce this cafe to the visitors.
- **Its Overall Functionality :**
  - Users, can learn the prices and types of food and beverages in the menu and drinks section on the site
  - Get information about the place from the About us section
  - See the different options in different rooms and the number of capacity for which room from the rooms section
  - Look at the events that took place before and look at them, organize their own activities
  - In the photo gallery section, they can see the fun moments of people who have come to the venue before.
  - They can access communication options such as social media, e-mail and phone numbers and the location of Karakokenight from the contact section at the bottom.
